END OF TERM II 2026 CIRCULAR

Dear parents / guardians

Christian greeting from Kasagama Secondary School. Today the 14th of August, the school has officially been closed for term II holidays. We extend our heartfelt gratitude for your continued support towards Kasagama secondary school. This circular serves to update you on the progress and key activities undertaken this term.

1. Appreciation & Academic Term Overview

We extend our sincere gratitude for your continued support, partnership, and timely commitment toward school dues throughout Term II. Through your collaboration, our learners have successfully completed their academic assessments, continuous assessment items, and co-curricular programs for this term.

2. Academic Progress

This term, the senior four class has been subjected to three sets of mock exams that is to say, **Provincial, EJob and Wakissha Mocks**. The intention of these three sets is to boost candidate confidence and readiness.

Senior one to Senior three students have done activities of integration and end of term assessment.

Every learner has been issued an official End of Term II Report Card. We kindly ask parents to review the academic feedback, discuss performance targets with the learner, and sign the report card in the space provided. Students must return the signed report card to their respective Class Teachers on the first day of Term III. Please note that the senior four candidates only have the end of term scores since by the time of topical assessment they were doing mock exams.

3. Attendance and Punctuality

Term III is a critical assessment period. We request all parents to ensure that learners report promptly on the opening dates. Day scholars must maintain consistent, daily attendance throughout the term to avoid missing continuous assessment evaluations.

4. Co-curricular activities:

We are pleased to report that sports activities were actively conducted this term through interclass football and netball games where the senior three class emerged overall winners. Parents are advised to encourage their children to actively participate in all co-curricular activities.

5. Discipline and Conduct

While we continue to cultivate character and administrative discipline at school, education remains a shared responsibility. We strongly advise parents to take time during this holiday to talk to their children about peer pressure, responsible behavior, personal hygiene, and focus on academic performance.

6. Important School Calendar Dates

- ❖ Closing Date: Wednesday, 19th August 2026 (Students clear by 12:00 PM)
